Partnership for Community Investment

KANSAS COMMUNITY INVESTMENT FUND (KCIF)

The Kansas Community Investment Fund is designed to provide capital to non-profit and for-profit projects that impact community and economic health including healthy behaviors, access to care, education attainment, and civic and community engagement.

PROGRAM CRITERIA

- There is other funding in the deal
- The entity is generating revenue
- The program fits one or more of the following impact areas:

ACCESS TO CARE

Behavior Analysis
Dental Practice
Pharmacy

EDUCATION ATTAINMENT

Daycare
Early Learning Center

CIVIC ENGAGEMENT

Main Street Revitalization
Telecommunication Development

HEALTHY BEHAVIORS

Fitness Center
Physical Therapy

HOW FUNDING WORKS

KCIF matches up to 150% of public or private financing with a maximum loan amount of \$250,000. KCIF can be up to 60% of the total project cost.

For example, if there is \$100,000 from a bank or public entity in the project, up to \$150,000 can be requested from KCIF.
