Partnership for Community Investment

RESOURCE SPOTLIGHT

WICHITA STATE UNIVERSITY

PUBLIC POLICY & MANAGEMENT CENTER

NetWork Kansas Partner:

The Public Policy & Management Center at Wichita State University

OVERVIEW

The PPMC is a nonprofit, nonpartisan organization that works with the public, nonprofit, and private sectors to conduct research, evaluation, training, and community initiatives that benefit the public good.

HOW DOES THE RESOURCE WORK?

Clients of the PPMC can expect to gain data-driven insight that makes their community better. The PPMC's services fall into three main categories:

- **Research & Program Evaluation:** Assisting decision-makers in evaluating the impact of programs and crafting innovative improvements to meet community and organizational needs
- **Talent Initiatives:** Helping organizations develop talent through training, events, and association management
- **Community Initiatives:** Empowering individuals and groups to share their voices and affect positive change in their communities.
