Partnership for Community Investment

RESOURCE SPOTLIGHT

NetWork Kansas Partner:
NXTUS, Inc.

OVERVIEW

NXTUS, Inc, is a catalyst for the region’s startup ecosystem. At our essence, we serve as a nexus for entrepreneurs, investors, corporate partners, and the community at-large. Our primary aim is to achieve the ‘next us’ by growing startups, strengthening innovation culture and building support systems. We connect entrepreneurs to capital, customers and a community of resources to help grow companies of significance.

ELIGIBILITY

Be an innovator and entrepreneur.

PROGRAMS & SERVICES

NXTUS works to connect startup founders to capital, resources and customers, through initiatives such as:

Accelerate Venture Partners angel investment group - A collaborative group of active investors from diverse professional and industry backgrounds investing in early-stage, high growth companies in Wichita and the Midwest.

NXTSTAGE Customer Traction Programs and Pilot Competitions – Programs designed to help early-stage, scalable companies grow revenue by connecting them with Kansas communities and businesses as prospective customers. Curriculum helps entrepreneurs focus in on their go-to-market strategies and learn how to do business with established enterprises. Competitions match innovation-conscious pilot partners with startups offering tools that are ready to be pilot tested, customized and deployed.

One-on-One Help for Entrepreneurs – All are welcome to seek support from NXTUS at hello@nxtus.io.
